1 Timothy 6

1. What is your response to the recent spate of public “false teaching”?

What is the connection between false teaching and covetousness, or greed?
2. What are examples, in culture and in your own experience, of covetousness leading to “all kinds of evil”?

Have you known anyone to have “wandered away from the faith” because of covetousness?
3. How do you experience God richly providing you with everything to enjoy?

Why does wealth appear in the Bible as God’s blessing?
4. What are the hazards of wealth?

How might one set hopes on wealth?
5. Pray for each other and the church, that we would find joy in generosity and be set free from covetousness.
